

Standards Reference Tables by CSI Division

**Including: Personnel Certification Requirements
Industry Standards, and Inspection & Testing Standards**

Please do not share this information with other organizations, even if you do not charge a fee. You are granted permission to freely use the materials for qualification and submittal purposes in the course of your normal construction business for projects managed from your location. Only enterprise licensees may distribute the materials for use by other organizations, locations, or business units as permitted by the license agreement. Please keep in mind, the materials are copyrighted, and Caldeira Quality retains the copyrights.

Reference Standards Table of Contents

DIV 03 CONCRETE STANDARDS	3
Concrete Personnel Certification Requirements	3
Concrete Industry Standards	3
Concrete Inspection and Testing Standards	4
DIV 04 MASONRY STANDARDS	5
Masonry Industry Standards	5
Masonry Inspection and Testing Standards	5
DIV 05 METALS & WELDING STANDARDS	6
Pipe Welding Personnel Certification and Qualification Requirements	6
Pipe Welding Industry Standards	6
Pipe Welding Inspection and Testing Standards	6
Structural Steel AWS Certified Welder Qualification Requirements	7
Structural Steel AWS Welding Industry Standards	7
Structural Steel AWS Welding Inspection and Testing Standards	8
DIV 07 THERMAL AND MOISTURE PROTECTION	9
Roofing Industry Standards	9
Fireproofing and Firestopping Inspection and Testing Standards	9
DIV 09 FINISHES	10
Drywall Industry Standards.....	10
Paint and Wallcovering Industry Standards.....	10
Industrial Coating & Painting Personnel Certification Requirements.....	10
Industrial Coating & Painting Industry Standards.....	11
Flooring Industry Standards.....	11
Flooring Inspection and Testing Standards.....	12
DIV 21 FIRE SUPPRESSION.....	13
Fire Protection/Suppression Personnel Certification Requirements.....	13
Fire Protection/Suppression Industry Standards.....	13
Fire Protection/Suppression Inspection and Testing Standards.....	14
DIV 22 PLUMBING.....	15
Plumbing Personnel Certification Requirements	15
Plumbing Industry Standards.....	15

Reference Standards Tables

Plumbing Inspection and Testing Standards.....	16
DIV 23 HVAC/MECHANICAL	17
HVAC/Mechanical Personnel Certification Requirements	17
HVAC/Mechanical Industry Standards.....	17
HVAC Inspection and Testing Standards.....	18
DIV 26 ELECTRICAL	19
Electrical Personnel Certification Requirements	19
Electrical Industry Standards	19
Electrical Inspection and Testing Standards	20
DIV 27 COMMUNICATIONS	21
Communications Personnel Certification Requirements	21
Communications Industry Standards.....	21
Communications Inspection and Testing Installation Standards.....	21
DIV 28 ELECTRONIC SAFETY & SECURITY	23
Electronic Safety & Security Personnel Certification Requirements	23
Electronic Safety & Security Industry Standards	23
Electronic Safety & Security Inspection and Testing Standards	23
DIV 31 EARTHWORK	24
Earthwork Industry Standards	24
Earthwork Inspection and Testing Standards.....	24
DIV 32 EXTERIOR IMPROVEMENTS	25
Paving Industry Construction Standards	25
Paving Inspection and Testing Construction Standards	25
Landscaping Industry Standards.....	25
Landscaping Inspection and Testing Standards.....	26
DIV 33 UTILITIES.....	27
Utilities Industry Standards	27
Utilities Inspection and Testing Construction Standards.....	28
PIPELINE CONSTRUCTION STANDARDS TABLES.....	29
Pipeline Construction Personnel Certification Requirements	29
Pipeline Construction Industry Standards	29
Pipeline Industry Inspection and Test Standards	30

DIV 09 FINISHES

Drywall Industry Standards

Description	Reference Standard No.	Reference Standard Title
Fire Resistance Design Manual – Sound Control – Gypsum Systems, 21st Edition	GA-600-2015	Fire Resistance Design Manual – Sound Control – Gypsum Systems, 21st Edition
Application & Finishing of Gypsum Panel Products	GA-216-2016	Application & Finishing of Gypsum Panel Products
Recommended Levels of Finish for Gypsum Board	GA-214-2015	Recommended Levels of Finish for Gypsum Board
Application of Gypsum Sheathing, PDF Download	GA-253-2016	Application of Gypsum Sheathing, PDF Download
Joint Treatment Under Extreme Weather Conditions	GA-236-2016	Joint Treatment Under Extreme Weather Conditions
Gypsum Panel Products for UL Classified Systems	GA-605-2015	Gypsum Panel Products for UL Classified Systems
Repair of Gypsum Board Joint Ridging	GA-221-2014	Repair of Gypsum Board Joint Ridging

Paint and Wallcovering Industry Standards

Description	Reference Standard No.	Reference Standard Title
Finishing Contractor Association	September 2015	The Interior Systems Guide: A comprehensive guide to finishing and decorating interior gypsum board surfaces
Painting and Decorating Contractors of America	PDCA P4	Responsibility for Inspection and Acceptance of Surfaces Prior to Painting and Decorating
Painting and Decorating Contractors of America	PDCA P6	Acceptance of Completed Wallcovering
Painting and Decorating Contractors of America	PDCA P8	Owner's Responsibility for Maintenance of Paints and Coatings
Painting and Decorating Contractors of America	PDCA P11	Painter's Caulk, Implied Requirements

Industrial Coating & Painting Personnel Certification Requirements

Certification or License Title	Reference Standard No.	Reference Standard Title
Performers of surface preparation or coating application	SSPC QP 1	Standard Procedure for Evaluating Painting Contractors

Industrial Coating & Painting Industry Standards

Description	Reference Standard No.	Reference Standard Title
Steel structure surface preparation for painting	SSPC Painting Manual	Good Painting Practice, Steel Structures Painting Manual
Containment of paint removal debris	SSPC Guide 6	Guide for Containing Surface Preparation Debris Generated During Paint Removal Operations
Standard Procedure for Evaluating the Qualifications of Industrial/Marine Painting Contractors	SSPC-QP 1	Standard Procedure for Evaluating Painting Contractors
Single-Component Moisture-Cure Weatherable Aliphatic Polyurethane Topcoat, Performance-Based	SSPC-Paint 38	Standard Procedure for Evaluating Painting Contractors
Inspection of Fluorescent Coating Systems	SSPC-TU 11	Standard Procedure for Evaluating Painting Contractors
Standard Procedure for Evaluating the Qualifications of Contractors Who Apply Thermal Spray (Metallizing) for Corrosion Protection of Steel and Concrete Structures	SSPC-QP 6	Standard Procedure for Evaluating Painting Contractors
Epoxy Polyamide/Polyamidoamine Primer, Performance-Based	SSPC-Paint 42	Standard Procedure for Evaluating Painting Contractors
Three-Coat Moisture-Cured Polyurethane Coating System, Performance-Based	SSPC-PS 28.02	Standard Procedure for Evaluating Painting Contractors
Brush-Off Blast Cleaning of Coated and Uncoated Galvanized Steel, Stainless Steels, and Non-Ferrous Metals	SSPC-SP 16	Standard Procedure for Evaluating Painting Contractors
Recyclable Encapsulated Abrasive Media	SSPC-AB 4	Standard Procedure for Evaluating Painting Contractors
Measurement of Dry Coating Thickness with Magnetic Gages	SSPC-PA 2	Standard Procedure for Evaluating Painting Contractors
wo-Coat Zinc-Rich Polyurethane Primer/Aliphatic Polyurea Topcoat System, Performance-Based	SSPC-PS 28.01	Standard Procedure for Evaluating Painting Contractors

Flooring Industry Standards

Description	Reference Standard No.	Reference Standard Title
Inspection of surfaces to receive ceramic tiles	TCA Hdbk	Handbook for Ceramic Tile Installation
Ceramic tile installation	TCA Hdbk	Handbook for Ceramic Tile Installation
Preparing concrete subfloor for terrazzo finish	NTMA Info Guide	Terrazzo Information Guide
Finishing a terrazzo surface	NTMA Info Guide	Terrazzo Information Guide
Carpet installation	CRI 104	Standard for Installation Specification of Commercial Carpet

Flooring Inspection and Testing Standards

Description	Reference Standard No.	Reference Standard Title
Moisture testing of concrete subfloor for receiving resilient flooring	ASTM F 1869	Measuring Moisture Vapor Emission Rate of Concrete Subfloor Using Anhydrous Calcium Chloride
Moisture and alkalinity testing of concrete subfloor for receiving carpet	CRI 104	Standard for Installation Specification of Commercial Carpet
